I AM A WITNESS

Like a witness in a court, I have been called to testify, to tell the truth about what I have seen and heard. My task is not to whitewash nor bloat the truth. My task is to tell the truth period. The difference between the witness in court and my witness is that the court witness eventually steps down from the witness chair. I cannot. The ever growing destruction caused on humanity by pornography has caused this court to be perpetually in session and I remain under oath.

WHO SHOULD HEAR?

- Churches
- Public/Private School/Colleges
- Teen Groups
- Addiction/Recovery Groups
- Anyone wanting to know the truth about pornography
